

**The Watchman Anointing**

We are called to be watchmen in this critical hour in which we live. It is important that we understand the concept of the watchman, so we can learn how to be awake and watchful, and stand in the counsel of The Lord to know what He is saying and doing.

**“Watchman” – What does it mean?**

To watch means to look out, to peer into the distance, to investigate or get a new scope on something, to see an approaching danger (2 Kings 9:17, 18) and **WARN** those endangered, to review and evaluate your household (Prov. 31:27), or to **SEE** so you can **GUARD** your **FUTURE!**

*“Now a watchman stood on the tower in Jezreel, and he saw the company of Jehu as he came, and said, ‘I see a company of men.’” 2 Ki 9:17*

*“Son of man, I have made you a watchman for the house of Israel; therefore hear a word from my mouth, and given them warning for Me” Ezk. 3:17*

The fourfold division was according to the Roman system, each of which was a fourth part of the night. Tonight at IHOPTLH, we are participating in the “Night-watch” as we watch & pray through the night hours.

**Dutch Sheets' book, Watchman Prayer explains the watchman as follows:** *The three primary Hebrew words in the Old Testament for watchman are natsar, shamar, and tsaphah. These words have both a defensive or protective connotation and an offensive or aggressive application, with the defensive aspect being the most prominent in the Scriptures... Combining the definitions of these three words, which are used almost synonymously, their defensive concept essentially means to guard or protect through watching over or concealing. While applied to many subjects—crops, people, cities, etc.—the concept is usually preservation.*

*The two New Testament Greek words for "watching," gregoreuo and agrupneo, also refer to protection, but they have the literal meanings of "being awake" or "sleepless." The picture is that of a sentry, lookout, or night watchman who is supposed to remain awake and alert, watching for signs of trouble. Hence the translation at times "be on the alert" (see Luke 21:36, 1 Cor. 16:13, Eph. 6:18, 1 Pet. 5:8). As He does so often in Scripture, the Holy Spirit uses these practical, physical activities of watchmen to symbolize spiritual functions, usually in reference to prophetic warnings and intercessory prayer*

*“Watch, stand fast in the faith, be brave, be strong” – 1 Cor. 16:13*

*“Praying always with all prayer and supplication, being watchful to this end with all perseverance” Eph. 6:18*

*“Be sober, be vigilant, because your adversary the devil walks about like a roaring lion” 1 Pe. 5:8*

### **Receive a New Measure of the Watchman Anointing**

The Anointing breaks the yoke! The Lord is saying: "You are anointed! Allow the anointing in you to be released in a new way to watch and pray!" The anointing is Christ in us being released that breaks every yoke set against His will and purpose. The anointing is like oil. Not only do you become fragrant, but you are able to slip past the enemy and encroach on his territory. (Isaiah 10:27, I John 2:20, Isaiah 9:1-4).

*“And it shall come to pass in that day that his burden will be taken away from your shoulder, and his yoke from your neck, and the yoke will be destroyed because of the anointing oil.” Isa. 10:27*

*“But you have an anointing from the Holy One, and you will know all things.” 1 John 2:20*
